Additional information

In accordance with the European Performance of Buildings Directive, all property being marketed For Sale or To Rent must have an Energy Performance Certificate (EPC). The rating establishes the efficiency of a property and what steps could be undertaken to improve its performance in an effort to reduce energy consumption and associated carbon dioxide emissions. There is no ‘pass’ or ‘fail’ level.

An EPC currently has a ‘life’ of 10 years and becomes part of the documents associated with that property. It can be transferred on completion of sale to the new owner(s) and would normally only be superseded by a new assessment after energy saving improvements have been carried out.

A copy of the EPC and Recommendation Report must be available to any interested party. The full Report can be viewed via our web site roddersandbrowne.co.uk.

ENERGY EFFICIENCY RATING (EPC)

From 23rd September 2022 property purchased up to £250,000 will be exempt from Stamp Duty Land Tax (SDLT) unless it is purchased as a second home, in which case the 3% override will still apply. Homes sold in excess of £250,000 will pay SDLT on a sliding scale. There are exemptions for first time purchasers where no Stamp Duty is payable up to £625,000.

Please contact your own legal adviser with any queries.

TENURE
Leaseold (947 years from 16th April 1937).
Ground rent £7 per annum.

RATES
The Regional rate pays for such services as: education, housing, health, roads, emergency services water and sewerage. The District rate funds services such as: building control, tourism, leisure facilities, community centres, environmental health, arts, events and recreation. More information about rates and what it pays for can be obtained by contacting the local council.

The assessment for the year 2023/2024 is £1,481.04
